

Disasters & Emergencies

Would you need special help?

Iredell County has a Special Needs Registry. If you think you need special assistance in the event of a local disaster, **ASK** for a Special Needs Registry Form.

The registry provides important information to emergency responders in the event of a 911 call or disaster. This program is voluntary. You are eligible if you live in Iredell County and meet at least one of the following:

- Need assistance with daily living activities.
- Need medical observation or assistance.
- Have a constant, lasting, or easily spread sickness.
- Have a significant disability and/or are homebound.
- Do NOT live in a long-term care facility.
